At our Kate's House Foundation, we value all clients as unique individuals, and we welcome the variety of experiences they bring to our housing. As such, we have a strict non-discrimination policy. We believe everyone should be treated equally regardless of race, sex, gender identification, sexual orientation, national origin, native language, religion, age, disability, marital status, citizenship, genetic information, pregnancy, or any other characteristic protected by law. If you feel that you have been discriminated against, please let your house manager or the management know as soon as possible. Every complaint will be appropriately investigated.
